The Keystone State Gazette

FROM THE DISTRICT DIRECTOR:

It is the first weekend in April and the sun has been shining all day. Even though the temperature did not get real high we had to take advantage of the nice weather. We took off for a ride and ended up in Coopersburg to meet with Chapter L for ice cream. I was surprised when Renee agreed to go on the bike!

The beginning of March did not turn out to well for us. It seemed as though it snowed every weekend. The weather made it hard for us to get off the mountain to visit any chapters.

On March 19th we finally got a half decent day to go for a ride, even if it was in the car. We had been waiting like little kids for Christmas, to get to Chapter I. We made the trip to announce to the chapter that they were chosen as Pennsylvania's District Chapter of the Year. **Congratulation's to Chapter I.**

We spent many weeks preparing for the District Team Meeting. We really had a lot of information to give to each of the chapters in attendance. Also during the Team meeting, the 2011 OCP Update information was given to everyone. Because we had the chance to meet with all of you and go over all of the happenings with in the District, we will keep our article short this month.

During the District Team meeting we all were given a big surprise. Chapter I was chosen to represent Region B as the Northeast Region B Chapter of the Year. Congratulations to all of the members of Chapter I! Good luck at Wing Ding!!

Last weekend, we took the ID &C course. It is designed to get potential instructors on board. There were 8 people taking the class. Jan Sterba did a great job!

It looks as though riding season is finally upon us.

Please be safe!

Tom & Renee

NW-ASSISTANT DISTRICT DIRECTOR:

Our Motto lives

I am told from time to time that my articles are too long or too wordy. I have taken liberty through the years to focus my space in this newsletter towards a theme that is tied into the life of being a member of GWRRA. Guess what...this month is no different.

Our Motto of Friends for Fun, Safety and Knowledge is at times ridiculed by some of the membership. I believe this happens because they haven't experienced an event that brings this motto to life.

The most precious part of my life, Danise, has been struggling lately with health issues. It is not life threatening but it is life changing...if only temporary. It will most likely keep our riding season from beginning until early July. For someone like my wife who lives to ride the Wing and be with our GW family it is a sour pill to swallow.

The sweet part of this experience is the outpouring of caring from this family called GWRRA in the form of cards, prayers, and well wishes. She has experienced the warmth of our friends from across the district and region. At a time where her heart is heavy with sadness from being removed from her normal life she has had the support of you our GW family and that has made a difference.

She has more surgery in her future and we are leaning on all of you with your thoughts and prayers as she works towards her recovery. This bump in our lives has been smoothed out by you. We cannot thank you enough for your generosity in taking the time to send her a card. She has

enjoyed each and every one of them. God Bless you.

NE-ASSISTANT DISTRICT DIRECTOR:

It's hard to believe it is spring when we're waiting for our next snow fall. Guess March will be going out like a lion. It will warm up eventually. By then everyone will be more than a little anxious to go for a ride. Use this extra time to make sure your motorcycle is in good shape and ready for that first ride of the season.

We went to visit Chapter X for their gathering and were pleasantly surprised to see 8 from Chapter R there as well. They also had a visitor from Chapter P. Roll for the Dough is certainly working.

We attended the PA District staff meeting in Carlisle this past weekend. It's always nice to spend time with friends. There was a lot of information presented for everyone to take back to their chapter. We even had an OCP update presented. Congratulations to Chapter I, they were not only selected as the PA District Chapter of the Year but also as the Region Chapter of the Year. Way to go Chapter I, Chapter Directors Tom and Lois Connor and Assistant Chapter Directors Mel & Jodi Lufsay. We wish you the best of luck at Wing Ding and we will be there to cheer you on.

Make sure to send in your convention reservation forms as soon as you can. The Keystone State Convention will be held at the Hotel Carlisle on September 8, 9 and 10, 2011. Rooms will be \$69.00 and should be reserved by calling 1-800-692-7315. Be sure to tell them you are with the Gold Wing Road Riders Association. Chapter A gave us a sampling of the games for the convention; they look like they're going to be a lot of fun. We will be collecting food once again. Please remember to send us your sold raffle ticket stubs and a check once a month so we can turn them into the district.

Other dates to remember are All Chapters East which will be hosted by Chapter "C" July 29, 30 and 31, 2011. It will be held at the Roxbury

Holiness Camp. This year All Chapters West will again be hosted by Chapter "N" August 19, 20 and 21, 2011. This year's event will take place at the Deer Hunters Assoc. of Harrisville, PA.

It's not too early to send in your chapter's ad for the convention ad book. The price for a ¼ page (5" X 2") is \$25.00, for a ½ page (5" X 4") it's \$40.00 and for a full page (5" X 8") it is \$75.00. The ads can be sent electronically to dheffelfinger@atlanticbb.net.

Please remember each chapter is expected to have a Membership Enhancement Coordinator so if your chapter still does not have one please be sure to try to have this important position filled as soon as possible. The Membership Enhancement Coordinator helps make your job as chapter director much easier. If you have someone interested but not sure what is expected of them have them drop Mort and Ruth, coolmort@msn.com an email and they will be more than happy to explain it to them.

If you have any questions or concerns please feel free to give us a call 610-381-4092 or drop us an email avaumack@ptd.net. We will be happy to help you in any way we can.

SW ASSISTANT DISTRICT DIRECTOR:

Hello to all,

It seems I just started to write March on my paperwork and I now I have to remember to write April. This spring is flying by quickly. None too fast for me. The few days of warm temperatures that teased us this spring had many of us out on the bike. Even with the return to the chilly temperatures the last few days, I have noticed a

few motorcycles out and am not sure if it is related to the sunshine or the rising cost of gas.

We spent President's Day weekend in North Myrtle Beach. I was especially anxious for this vacation, more so than I can remember for many years. I don't especially care for the cold weather and am not a big fan of snow, so the image of sand and waves sounded like a dream come true after this cold, cold winter. On the ride there, I was thinking about my excitement and was sharing this with Jim. As I was explaining my feelings, I realized something that might also be contributing to my grand thoughts of this vacation. The realization was that this was one of the few vacations we have ventured on in a four wheeled vehicle in the last ten years. On this trip, I had no concerns about the weather, needing to stop before the deer are sharing the lanes, asking him to stop and stretch, or even with taking a nap. I didn't need to put on or take off layers of clothing. I arrived and my hair was no worse for the ride. Sure, all this was nice for a change, but the sunny skies and warm temps of South Carolina have me ready for a vacation on the back of the Wing. Wing Ding Knoxville here we come!

Last weekend we attended the District Team Meeting in Carlisle. It was great seeing old friends and being part of the excitement for GWRRA. Thanks to all of the chapters for attending. Much talk was about the convention in September and by what was shared, it should be a great time. Hillbilly games, planned rides, a nice motel, the talent show, and more is planned to keep you busy and laughing. You won't want to miss it. It's not too early to get your registration in to Tom and Renee.

We are happy to read about chapters visiting other chapters and earning those Roll for the Dough points. Ten chapters have already earned points and this year would be a great one to have all the chapters participate in this program. The ride schedules and events are planned for most chapters, so get them out in front of you and start planning your visits. All you need is a smiling face on five chapter members and a camera to record

the memories. I can't help but think about all the ideas that are going to be taken from one gathering/event and added to another chapter in the state. The best ideas are sometimes those we experienced and decided to call our own. Let the fun be shared!

Is your chapter in the summer mode yet? As you complete your ride schedule, are you including rides to fit into the members' schedules? Be sure to have rides of different lengths and various destinations to include the desires of your members. Are all your rides on the same day of the week? Do they always begin at the same time? Maybe a late Sunday afternoon ride will be the one best attended. Make this the year to try something new. It may just be the ticket to a boost in attendance or even some new members.

Robins singing in the trees and the crocus are not the only signs of spring's arrival and the appetizer to summer. GWRRA also is showing signs of springing into summer --- convention ticket sales, the District Team Meeting, ride schedules posted, chapters visiting other chapters, and bike shows. We should all be happy for the spring rains, too. This is God's way of cleaning up the remains of winter, especially the shale from the road so they are ready for two wheels. Keep your eyes open for the first green buds to open, uncover that bike, give it the spring check up, and be ready for spring break and the coming days of summer.

Jim and Diane
PA S.W. Assistant District Directors

SE ASSISTANT DISTRICT DIRECTOR:

Finally the weather looks as though it may start warming up.

WE attended the district staff meeting a couple of week ago. And I do believe that GWRRA in Pennsylvania is on the upward slant. Tom and Renee relayed a lot of important and exciting information to everyone. And as always it was great seeing and visiting with our GWRRA family and friends.

Congratulation to Chapter "I" on their Regional Chapter of the Year. What an honor to be so named. You make us proud.

Riding season will fast be upon us, remember to ride safe. Hopefully with the warmer weather we can get out to visit with our chapters.

Sad to say that chapter "C" lost one of their favorite members, John Curfman passed away last weekend. He was a GWRRA member for many, many years. John truly loved his "gold Wing". As years go by one of the things that John missed most was not being able to ride his motorcycle as the years have gone by. A couple of years ago, Linda took him for a ride on her trike, he had a big smile on his face after that ride. He loved it! John was truly a kind and caring man and he will be missed by many of his family and friends. John was a gentleman who entertained many people with his stories and adventures.

Roll for the Dough visits seem to be working. Having a great time visiting with other chapters, learning new ideas for your home chapter and meeting old friends and making new ones. Lots of adventures.

PA DISTRICT MED COORDINATOR:

MEMBERSHIP ENHANCEMENT

RECRUITING & RETENTION: This is a very important part for the Chapter Directors and Members in general to remember. Recruiting is important to our , GWRRA, over all existence. Retention is, in my opinion, even more important. For as much as we need to recruit we need to retain the members we have. There are so many Chapter Directors that when their term is over, so are they. We need to look at these and see what we as CD, ACD and members can do to improve and make the necessary changes.

There is a world of knowledge on the Membership Enhancement web site

(<http://www.gwrri.med/org>) . Go to the Recruiting & Retention section and educate yourself.

NEWSLETTER: Please see that your newsletter front page is up to date. If you are not sure what changes to make, feel free to give me a call, 610-264-5049. I will be more than happy to help you.

The newsletter should be published each month and sent by mail or internet to all Chapter members ,District, Region & International.

Please keep in mind that NOT all members have computers. Not all members can attend all or even a few gatherings. As members they have the right to know what is going on in the chapter.

The newsletter is a very important part of Chapter life, I call it the life line to the members. Have your Membership Enhancement Coordinator contact the members that you have not seen for a while, give them a heads up on just what your Chapter is doing.

Make sure that the information in the newsletter is correct. The information should be about your Chapter, news from District, Region & International. Remember this is a GWRRA newsletter not other associations or clubs.

Membership Enhancement is now a officer position and as such each Chapter is required to have one.

Most Chapters have card coordinators, ride coordinators, ice cream coordinators, etc. These are all things that the Membership Coordinator could & should be doing. Remember this is the FUN division of GWRRA. If you feel this is to much work for one person, which it is not, then appoint a couple or just two members to the position.

Again remember that the MEC website is full of all the things you need to know about the different programs in this division. Please use it. <http://www.med/org>

Until next time ride safe and God Bless

DISTRICT COUPLE OF THE YEAR:

On March 25, we travelled down to Carlisle for the District meeting,, met some old friends and made some new ones. It was an interesting week-end learning what all goes on.. Big problem was lack of heat in the hotel. 6 of us from "Q" stayed over and attended "K"s meeting on Sunday morning in Mechanicsburg, had a great breakfast at the Old Country Buffet..

We have had a few replies for the talent show at the Pa. convention so thanks, and let's keep them coming. The weather is starting to break so let's ride and be careful... Jeff & Sue Arnold

From National:

Linda and I are pleased and excited to announce the appointment of Tony and Jean Ondof as International Assistant Directors, Membership Enhancement Program. Their primary focus will be on Recruiting and Retention. Tony and Jean are both GWRRA Life Members and have extensive experience in working with Chapter formation utilizing zip codes and Membership data. Tony and Jean have some great ideas concerning Recruiting and Retention and we are excited to have them on the Membership Enhancement Team. They will be available to assist Directors and Membership Enhancement Coordinators with matters concerning Recruiting and Retention, the Area Report List, Unassigned Zip Codes, Chapter formation, and Membership data.

Please feel free to contact them with your ideas and suggestions. Also, email or call them and say “Hi” and get to know them. Please join us in welcoming them to the International Team.

Tony and Jean's contact information, bio and photo can be found on the Membership Enhancement web site.

From Region Directors:

National has challenged the Regions and Districts to add additional incentives for the Passport program.

I want to bring you up to date on what your Region team has been working on the last few months. Pete St. Amour has been hard at work on the ARL and has come up with some innovative ways to improve that informational piece. Carol Coyne has been working on all of the 990's and associated paperwork. Tim Grimes has come up with a program to fund the Rider Education instructors travel expenses in an effort to reduce their personal outgo at a time when money for all of us is short. Keith Price is working on training more First Aid/ CPR instructors and the Region has offered to assist the instructors by offsetting some of their class

expenses. Mike Mandell has been processing all the new MEC's paperwork, managing the programs under his direction, providing Couple of the Year information and working with our Treasurer, Michelle Perry to get our advertising program off the ground. The Princes, our Chapter of the Year Coordinators, have been working on determining who is going to be the Region's Chapter of the Year as well as providing information about the program to all our Districts and Chapters. Dottie has been working with all the District trainers and/or Directors to make sure that all of the OCP updates have been delivered so no one loses their status as OCP Certified. She also is working with the District trainers to set up OCP's for additional members who wish to become certified. There will be two Instructor Development and Certification Programs for members wishing to become Leadership Training instructors. She has also worked on scripting modules for the Online OCP which we hope will become available in May.

By this time next month we will be back in the North and getting ready to travel to the Vermont K Kick-Off and the Rhode Island B breakfast. We really were looking forward to going to the Delaware Hobo Stew but unfortunately the Vermont K Kick-Off is the same day. Hopefully next year there will not be a conflict. Hope to see you at one of these events. Don't forget to bring your PASSPORT!
