The Keystone State Gazette

FROM THE DISTRICT DIRECTOR:

It is one year ago that we sat down to write our newsletter article and had to start about the loss of a GWRRA member. This September's newsletter has us mourning the loss of one of our Chapter Directors. Chapter W's, Larry Frupal lost his battle with cancer on August 25th. He was a person you could always count on and a true friend to all who knew him. He will be deeply missed.

We started out the month of August going to the New York/New Jersey Convention. It never fails us when we get together with members from New Jerseys F Troop that we always have a good time. It was the great job that the staff from NY/NJ did that made the convention so enjoyable.

We spent most of the month finalizing plans for the Keystone State Convention. For the first time for us and our staff, we thought that the convention was a great success. The numbers may have been down in attendance. For those that did attend we heard only positive remarks at how well the convention went this year. If you missed it, you missed a good time.

We would like to thank all of the District team for a job well done. The convention could have not been a success with out your help. For every Chapter member that took the time to help in some way during the convention, we thank you so very much. It is your help that made the Pennsylvania Convention shine.

On the first day, 15 members took time out of the convention to take the Officers Certification Program training. They finished up on Friday morning. It was another class that completed the training and complimented how satisfied they were of the program. Pennsylvania is now at 100% in trained officers.

With Thursday being the short day of the

convention, the time went by so fast. Before we knew it we were getting ready to hold the opening ceremonies. After filling our bellies with pizza it was time to line up for the Light Parade. We dedicated this year's light parade to Gary Dunn who loved lighting up

our motorcycles and sponsored the parade for so many years. Jay Keck, Jack Chambers and the members of Chapter L did an outstanding job of getting the light parade off and running. With the help of the Johnstown police department everyone was able to do two laps around the town. There were 38 bikes in the parade and all that wanted to be judged ended up at the War Memorial.

Friday was a busy day from the time we woke up. Of course 3 hours of sleep did not help our motivation. It was pure excitement of doing the convention that kept us going. We were excited to get to the War Memorial to help with the games. It was a different position for us, not organizing the games but helping where we were needed. Dennis and Kathy Brillhart and all of the members of Chapter V really did a great job in preparing the games. This is the first time that we really got to watch all that was going on and all we saw was people having fun. "That's the name of the game", everyone having fun. If you played the games then I personally want to thank all of you, who for some reason really wanted to start the "tic tac toe" game by knocking down the figure in the middle top row. Between the games, all of the self guided tours in the registration packets and the list of seminars being held on Friday it was a busy day for all. Hope there was something for everyone.

Friday evening was the ice cream social. This year we were able to build our own sundae with what ever toppings you wanted. After some brief announcements the fun started. Our very own District Couple Miguel Lebron & Gracie Tirado, organized a talent show. As Gracie would say

“everyone has a talent”, it showed that night. There was 8 different “acts” in the talent show. It’s always amazes us that some many of the people we know have hidden talents. We are so glad we did not have to judge the show. All of the “acts” were very good. We hope all of you enjoyed the show and we would like to do it again next year. If all of the Chapters get this information to their members we could have twice as many “acts” for the show. Were sure there is much more talent out there.

The ice cream social turned out to be pretty colorful. There were many members that dressed up as clowns for the ice cream social. Hope we did not scare off a potential member that stopped in the Pasquellia Center during the ice cream social to get information on GWRRA. Mort & Ruth Smith took their time during this past hot summer to paint all of the “clown suits” for the district staff. They did a great job making each suit different then the other. That was a lot of hard work doing the suits for us, thank you Mort & Ruth.

Saturday morning had us really busy at the District and Region Couple of the Year Selection. Pennsylvania had 8 couples participating in the District selection process. It was wonderful to see that many couples in the selection process. With so many special couples in our organization it would be nice to see that number grow again next year. Congratulations to Chapter Q’s Jeff & Sue Arnold for being selected 2011 Pennsylvania District Couple.

Steve & Carol Dailey have done such a great job these past few years as our Couple of the Year Coordinators. Thank you for all that you have done.

2011 has us looking at new Couple of the Year Coordinators. Dan & Tammy Artman have stepped up to that position. Let’s get behind them and make our Couple of the Year program in Pennsylvania the strongest it has ever been.

The Region Couple of the Year selection was held right after the District selection. Three Districts were represented from the Northeast Region. Miguel & Gracie did a great job representing

Pennsylvania as our District Couple. Even though they were not selected as Region Couple they are winners in our hearts. Congratulations goes to New Jerseys Rich & Doreen Lampe as being selected to represent the Northeast Region as our Region Couple of the Year. Were sure they will do a great job.

As Saturday afternoon approached we could not believe we were packing up the convention supplies and already getting ready to go home. The district officers and so many people pitched in to help that packing went smoothly. While this was going on there were others who started to decorate the tables for the banquet that evening. Ruth Smith & Val Aumack spent many months working on the table center pieces. They did a beautiful job at making the tables to our carnival theme.

The Pasquellia Center out did themselves again this year with the meal and the serves during the banquet. They even made a dinner to go for me since I did not get a chance to eat since I was getting ready to start the program for the evening. Randy Rupert from Chapter S did a great job singing our National Anthem. We would like to thank him for doing this and hope that we could get him in the talent show for next year. Before and during the dinner we hope you enjoyed the pictures on the big screen. Thank you, Marty & Karen Miller from Chapter P for taking your time at the convention to take pictures for us.

Congratulations goes out to **George Marrero Chapter V** for being selected as the recipient of this year’s **Someone Special Award**. There were 11 great nominations—we are glad we didn’t have to judge.

The district Raffle tickets were pulled on Saturday night. Marcy will have the complete list of winners in this newsletter. The top three chapters for selling the raffle tickets were: Chapter H, Chapter S, and Chapter I. If anyone else would like to know their chapter standing, please feel free to contact us.

As you all know by now, next year’s **Keystone State Convention will be held at the Hotel Carlisle**, in Carlisle Pa. Our theme for the 2011 convention will be the “Hillbillies”. The dates

have been changed to **September 8, 9, and 10th**. We have been able to secure rooms for the membership for \$69 a night. Please be sure to make your reservations as soon as possible at **1-800-692-7315**. Be sure to tell them you are with the Gold Wing Road Riders Association.

We are looking for a chapter that would like to organize the games for the convention in 2011 like Chapter V did for 2010. Please contact us as soon as possible if you are interested so that plans can be made. That way the information can be introduced to the membership to give them time to prepare for the games during the convention.

Another program we would like to see Pennsylvania become involved in is the **Chapter of the Year**. Twice now, New Jersey has been selected to represent the Region as Chapter of the year. We like New Jersey, our son lives there, and we have many friends in that great state, but we would love to see one of our chapters represent Region B. We have a lot of good chapters-chapters that are involved in various charities, love to ride, learn, and just have fun together. Sound like any of you? Every thing you already do as a chapter. All the information is located on our District Website. Get the forms, fill them out, and get a copy to us, along with your ride schedule by Feb 1. Just think of the fun we could have at Wing Ding if a Pennsylvania chapter represented the Region!!!If you have any questions, we or our MEC coordinators, Mort and Ruth Smith are just a phone call or email away.

At this writing, the **Roll for the Dough** program has twelve chapter participating. We know a lot of you had enough members at the Convention, make sure you contact Clair Matter for your points! This years contest will continue until **Oct 31**. We still have plenty of great riding time left!

It was brought to our attention that there have been articles in Pa chapter newsletters that were political in nature. We ask that all newsletter editors and Chapter Directors please proof read the newsletter before it is sent out. GWRRA was founded on the principals that the organization would be free of religion and politics. Under no circumstances should there ever be any that was written by a member or reproduced out of another

publication, be printed in any GWRRA newsletter, whether it is Region, District or Chapter.

It is hard to believe it has been almost a year since we became District Directors. It has been a year full of many changes, many challenges. Through it all, Pennsylvania overcame the challenges and embraced the changes. We knew when we decided to accepted the offered position (a decision we thought about for a while) we were going to be working with a great group of people. All of you in this state have made us proud to be your district directors. We thank you all for your help and support.

Enjoy the fall riding season, be safe and have fun

NW-ASSISTANT DISTRICT DIRECTOR:

Rally...Convention...Hug Fest

You will be reading lots about the Johnstown convention and the fun that was experienced by those in attendance. Yes the numbers were down again this year but that didn't decrease the fun. It only meant that there were less to enjoy it. For those in attendance you know how much fun we had. For those that were not able to attend we missed you. We hope to see you in Carlisle for the Hillbilly Reunion.

What a great family we have in GWRRA. For those getting the most for their membership they are living the lifesyle of Friends for Fun, Safety and Knowledge. I spent four days with old friends and also my new friends. We hugged and laughed from Thursday to Sunday. Some call it a Rally. District calls it a Convention. I call it a Hug Fest.

Danise and I have not been able to visit as much as we like the past 5 months because of my work. I have missed visiting chapters and hearing from the membership what is on their minds. Expect to see me more of me in the coming months so that I can hear what your chapter is doing for the

membership in keeping the FUN alive. I am looking forward to seeing all of you soon.

Congratulations to Jeff and Sue Arnold from PA-Q on your selection as District Couple. Enjoy your time and make a difference in the lives of those you meet along your journey.

NE-ASSISTANT DISTRICT DIRECTOR:

AHHHHH, the 2010 PA District Convention is over! We hope you enjoyed it because a lot of work went into making it successful as well as fun. Thank you to the vendors that participated and to those that supported them. Thank you to the chapters that met their obligations and worked their assignments. Thank you to everyone that presented the seminars and to those that attended them. Congratulations to everyone that took the OCP. Thursday was the opening ceremonies with pizza for dinner. The light parade followed. This year the parade was in memory of Gary Dunn. There were 38 bikes in the parade, a great showing. Chapter V did an awesome job organizing the games. Everyone had a lot of fun. Congratulations to Jeff and Sue Arnold from Chapter Q the 2011 PA District Couple of the Year. The Region Couple of the Year selection was also held at the convention. Congratulations to New Jersey's Rich and Doreen Lampe the 2011 Region Couple of the Year.

Friday night started with an ice cream social. We made sundaes. You know it's going to be a good night when you start out with ice cream. The talent show was also Friday. There are a lot of talented people in GWRRA and we got to see some of them Friday night. The clown costume contest was something to see. We're glad we didn't have to judge either one because they were all great. Congratulations to all the winners of the night. Saturday's banquet was the finishing touch of the convention. Congratulations to the winners of the raffle tickets and to Ralph Wilcox, he won the "Someone Special" award. Hope everyone had a good time. We hope to see you next year. Speaking of next year, the convention will be held in Carlisle on September 8, 9 and 10th. The theme is going to be Hillbillies. You can start thinking

of a way to dress up now. It should be a lot of fun.

We hope you had a very Happy Labor Day and please remember all those that lost their lives on

Sept 11, 2001.

SW ASSISTANT DISTRICT DIRECTOR:

Hi Everybody,

The convention is now a memory. For those who attended, it should be good one. This convention had many opportunities for you if you chose to participate. We were unable to attend on Thursday or Friday but were told that Chapter V did a great job with the games! We arrived in time to attend the talent show. Congratulations to all those that entertained us. For those that dressed up as clowns, we applaud you too. There were seminars to attend and planned rides to see the surrounding areas. Sure, safety was there, knowledge was there, and the fun was all around. The old saying, "It is what you make it" comes to mind. Did you take the opportunity to get the most of the offerings?

The change of seasons are one of Pennsylvania's greatest assets. This summer's heat kept us indoors too much this year. This Labor Day weekend is the end of summer and the weather made it easy to understand that fact. I sit here and think that summer is gone and we had hopes to do so much more in the way of visiting other chapters. Are you in that same boat? I will think of my glass being half full instead of half empty. Chapters still have events planned so the opportunities are still there. We will check the calendar and still get some visiting in. Next for us is All Chapters East. We look forward to another weekend of fun and know that Joe and Donna have a lot of it planned.

We also want this chance to pay tribute to Larry Faupel, Chapter W Director. Small in stature but

huge in personality, his smile and laugh, gentle and kind words will be missed. His singing of the national anthem at the closing ceremonies of the past conventions brought tears to our eyes and made us proud to be an American. When I close my eyes, I can still hear him singing and envision a larger audience appreciating his gift of song as I write this. Chapter W lost a great friend and leader and we are so happy we had the opportunity to meet and share time with him.

SE ASSISTANT DISTRICT DIRECTOR:

Well sitting down here at the beginning of September, convention is history. Let's see if you can recap some of the highlights.

Thursday evening started with Tom officially opening the convention and welcoming everyone. He also handed out a few awards. South east corner of PA was well represented. Betty Niswander from chapter "C" received the award for the most "mature" female rider. And Ray Cressler, also from chapter "C" received the award for the "youngest" male rider. Pizza was served to all who attended. Almost forget that 50/50 that evening was won by Ron Watkins from chapter "C". Remember Ron I have not received by Chocolate ice cream yet.

Doug Taylor from chapter "A" led the light parade through the streets of Johnstown. He was riding one of Gary Dunn's motorcycles that he bought. The light parade was in honor of Gary who for many years sponsored it.

Friday we were up bright and early. It was a very busy day with all the activities that were planned. Registration opened at 8:00 a.m. Thanks to everyone who donated food for the Johnstown Food Pantry. Also "Carnival games" were being held in the War Memorial. A HUGE THANK YOU TO CHAPTER "V" FOR TAKING ON THIS CHALLENGING TASK. We think they rose to the challenge. What a great job they did, working together. Denny Brillhart expressed his gratitude to his chapter "V" family for all their

dedication and work on accomplishing this. It was obvious that the whole chapter worked together. And by all accounts they had a great time doing it. I do believe that everyone that played the games will agree with us it was a "JOB WELL DONE". Chapter "C" was well represented by winning the carnival games.

There were numerous seminars to attend presented by district staff.

Friday evening was our "talent show" it was very entertaining evening with lots of variety of acts. The evening was started with a delicious ice cream sundae bar. Also since the theme for this year's convention was a "Carnival of Wings". The district staff presented themselves as clowns, and what a motley bunch of clowns we made just ask anyone who was there? ? ? ? Thanks Gracie and Miguel for hosting Friday night's talent show! !!

Saturday another early morning. War memorial was a busy checking in motorcycles for the bike show. The number of bikes entered was up from the previous years. Also the "Couple of the Year" reception was at the Holiday Inn. Congratulations to all who participated.

To wind up this year's convention on Saturday evening. The banquet hall was decorated with balloons and carnival center pieces. Just look at Linda's balloon tying finger??? A delicious meal was prepared for us. Numerous awards were handed out by Tom and Renee. Chapter "C" again was in the lime light who winning the "Brag book and also the Banner" contests. Way to go chapter "C". Someone special award went to George from Chapter "V".

It was announced that next year's convention will be in Carlisle. Plans are already underway, the theme will be "HillBillies" so get on your thinking caps and come up with some good ideas for your chapter.

Membership Enhancement Program

September at last, autumn is so close. This is the most beautiful time of the year, in my opinion. The riding is so nice with all the new colors and aromas of the new season.

The 2010 Pa. Convention is over and the Carnival of Wings is behind us. Even though our numbers were down this year, that did not stop us from having a great time. Thursday night opening ceremonies and pizza party, Friday night talent show, and what great talent we had and ice cream social, Saturday night banquet, the food was great as usual. Now wait there were vendors, bike show, light parade, great fun games, tours, seminars and the Couple of the year, District and Region, hospitality room, that was filled with great snacks, Pa still has the best hospitality room, thanks to you wonderful members, chapter peddlers, many clowns and bubbles on Friday night and the West End Food Pantry.

Talking about the pantry, we were able to present the West End Food Pantry with 2,200 lbs of food plus over \$300.00 in cash and gift cards. All of you that gave a helping hand to those in need, THANK YOU, THANK YOU, THANK YOU, we could not do it without you. Your kindness was greatly appreciated by the West End Food Pantry and your District.

There was also the District Raffle Ticket drawing. Congratulations to all the lucky winners.

DISTRICT COUPLE OF THE YEAR :

Hello everyone.. Well, this is new to us writing for the District newsletter. As Pat called us, "the new kids on the block". Guess she's right.. We still are very surprised at getting the District Couple, never really gave it a thought.

Labor Day week-end was our Chapter Q 's annual campout/cookout.. The weather was nice for the first part but then not so nice, cold and raining. However, for the chicken BBQ Sunday, the weather co-operated, it was cool but dry. Don't have a count for the campers but there were 105 for the BBQ and plenty of food. For those of you who haven't attended, it's really quite a feast. We had members of chapters G, E, T, D, R, I, N, and K there. I think we all had a good time despite the weather. We also have an auction there just for fun, Glen Giles from "R" was our auctioneer. If you know Glen, we had fun.

We will try to get out and about to represent GWRRA as much as we can.. For now, ride safe and often, the season is ending too soon.

Sign-In Help:

There seems to be a bit of confusion with the new Message Boards, so hopefully this information will be helpful.

The new website is www.gwrrabbs.org
A pop-up box will come up when you get there stating:

User name is your GWRRA Membership number (zero's included).

Password is the numbers in your address and the expiration date of your membership (in most cases). (If you are Life Members, it will be your address and then the word life ex. 1234life.)

Once you are in the Message Boards, if this is your first time, you need to go up to the right-hand corner and press "REGISTER". There you will fill out the information asked and create your own user name and

password. Keep in mind the user name you choose can't be changed and it is what everyone will see on the Boards when you are logged in, so choose carefully.

Once you have registered, you will receive an email with your information. Please save this for future reference.

You may be asked to login each time you go to the Board. The first set of logins will confirm your membership, the second logins will be what you created.
